ORDER ON AGREED MOTION TO INTERVENE AND MODIFY PROTECTIVE ORDER

Pending before the Court is the Joint Motion to Intervene and Modify Protective Order (the "Motion") (Dkt. #371) filed by Plaintiffs and Nonparty Intervenors. As the Court has dismissed most of the claims, the Court considers this Motion to be moot at this time.

It is therefore **ORDERED** that the Joint Motion to Intervene and Modify Protective Order (Dkt. #371) is denied as moot at this time, without prejudice to refiling.

IT IS SO ORDERED.

SIGNED this 10th day of August, 2020.

AMOS L. MAZZANT

UNITED STATES DISTRICT JUDGE
